**BISHOP

Bishop Schmutz was born to John and Clorinda Schmutz on April 5, 1894. He married Martha Foremaster. There have been 6 children born to this union; David, Donald, Janice, Richard, William and Clair. He has always worked with Farming and Livestock.

Prior to becoming Bishop, Wilford had a leg operation that kept him bed ridden for several months.

It was conference Sunday, our place was here, but he felt like he had to get off his leg before starting the beet harvest so Friday afternoon we left to spend some time in Pine Valley. Sunday morning we got word to call President Harold Snow but thinking it couldn't be important put off the call. Later calling President Snow, He said to come right home. Arriving in St. George, we were surprised to find Wilford had already been sustained in Conference as the new East Ward Bishop.

Without a chapel to meet in, we held sacrament meeting in the old recreation hall. Sunday School was in the Woodward school and Stake Academy. Relief Society in the top of the Welfare Building. Bishoprics meetings in our living room. Also at this time they acquired the ground for our ward chapel from Dan Seegemiller for \$1800.

Wilford served several terms as a city councilman.

After his release from Bishop, He was High Priest Group Leader four years and nine years High Councilman. He has served 25 years as a temple ordinance worker and is still going.

Brother Schmutz has always lived a life of exemplary service to his church, family and community.
