NATURE GAMES

Tuesday, July 9 at 1:00 pm
Zion Lodge Lawn

Have you ever wondered what Native Americans did for entertainment? Join a Southern Paiute Cultural Representative as they talk about some of the games the Paiute people played for amusement and take part in a traditional Paiute game of Que' Pauck.

Children must be accompanied by an adult. Cultural demonstrations are coordinated in partnership with Zion Canyon Field Institute and made possible by a grant from the Utah Division of Arts and Museums.
