We suggest that you make reservations for the night you plan to attend. Reservations will be held until 6:45, and then it is first come, first served, for the remaining slots. So please get here with plenty of time to

spare to check-in, pay up, and get all the pre-tour stories about Silver Reef. Parking attendants will be on hand to assist you. We recommend that you wear sturdy shoes, since some of the terrain you will be walking is uneven, especially if you plan to take "The Dark Side of Silver Reef" guided hike. Flashlights are also a good idea. Each guest planning to go on the Dark Side should bring their own flashlight.
