

The Inside Story  
A Special Tour of the St. George Tabernacle

The Washington County Historical Society is sponsoring a tour of the interior of the historic St. George Tabernacle on Saturday, February 9. The pioneer-era building has recently undergone extensive renovation which updated its construction for earthquake protection, and sought to restore the original 1870s decor.

Leading the tour will be well-known historian and author Dr. Douglas Alder. Drawing from a wealth of information and a penchant for storytelling, Dr. Alder is sure to provide an informative and entertaining visit to the iconic building.

The public is invited to participate in this free historical tour. Anyone interested should meet at 10 a.m. on the front steps of the Tabernacle.
