If you are interested in participating in one of Dixie Regional’s patient-centered care councils, please call 435.251.2108. These councils help us incorporate patient input in everything we do.

Physician Referral Program
It can be difficult to find a physician who is right for you and your family. That’s why Dixie Regional Medical Center offers a free physician referral service. Just call 435.251.2299 during normal business hours, give us some basic information about your healthcare needs, and we’ll help you find a physician who meets your needs.

INTERNAL MEDICINE
A caregiver reassures a patient about her upcoming procedure.
**Hospital Services**

*For more information, call the Dixie Regional Community Health Information Center at 435.251.2222 or visit www.dixieregional.org.*

**Bariatrics**  
435.251.1632  
Dixie Regional Medical Center provides a complete medical weight loss program with paths for surgical and/or non-surgical weight loss, including gastric bypass surgery, sleeve gastrectomy and Lap-Band®.

**Behavioral Medicine Unit**  
435.688.4343  
The Behavioral Medicine Unit at Dixie Regional Medical Center offers a safe, therapeutic setting for treatment of major psychiatric disorders such as acute depression and severe thought disorders. The physicians also consult with other hospital experts.

**Cardiology Services**  
435.251.1200  
Specializing in diagnosis, treatment and prevention of heart disease. The echocardiology lab, ultrasound with Doppler, stress testing, Holter monitor, EKGs, vascular studies, angiography and cath lab help provide state-of-the-art care. Cardiovascular surgery is also done.

**Community Health Information Center (CHIC)**  
435.251.2222  
This clearinghouse of human services and health-related materials and information is open to anyone with a question about a health issue or service. Details about enrolling in community education programs and support groups are also available through the center.

**Dixie Joint Center**  
435.251.2420  
The Joint Center helps educate patients who may be planning surgery, and helps patients recover from hip and knee replacement surgery quickly and safely.

**Dixie Regional Endocrinology Diabetes Clinic**  
435.251.2888  
Patients receive counseling and care-planning from diabetes educators, nurses, physicians, dietitians and other professionals who are trained to help with the management of this prevalent disease. *Physician referral is not required.*

**Dixie Regional Imaging Services**  
435.251.1777  
All major diagnostic modalities are offered at DRMC and some Intermountain clinics to provide noninvasive as well as invasive views of the inside of the body. *Physician referral is not required to schedule a screening mammogram.*

**Dixie Regional Rehabilitation Services**  
435.251.2250  
We offer state-of-the-art treatment facilities, including an aquatic therapy pool, complete with underwater treadmills and resistance jets, as well as a large treatment room and specialized equipment and facilities to help
those with balance disorders. We provide speech, physical, hand, pediatric, and occupational therapy as well as treatment of sports-related and other orthopedic injuries.

**Dixie Regional Wound Clinic**
435.688.4293
The latest techniques are employed for recovery from difficult-to-heal wounds. 
*Physician referral is not required.*

**Financial Counseling**
435.688.5300
Representatives from the financial counseling office can assist patients with financial arrangements.

**The Foundation of Dixie Regional Medical Center**
435.251.2480
A nonprofit, charitable corporation that furthers community health and patient advocacy at Dixie Regional and its affiliates through philanthropy.

**Huntsman-Intermountain Cancer Center**
435.688.4175 Radiation Oncology
435.688.4900 Medical Oncology
Provides complete diagnosis, treatment and research services including chemotherapy, radiation therapy, and full surgical options. Educational materials are also available.

**Hyperbaric Medicine**
435.688.5425
Concentrated oxygen treatments have been found to be beneficial in healing wounds that occur as a complication of diabetes, wounds, and cancer treatments.

**Infusion Services**
435.688.6868
At the infusion therapy clinic registered nurses provide intravenous infusions including antibiotics, iron, blood and rehydration. In addition, patients who need central and midlines inserted are served here.

**Intermountain Home Health**
435.251.2367
Medically supervised health care is provided in the comfort and security of home. Home health services include medical and surgical nursing, rehabilitative services, specialized therapies, and education.

**Intermountain Home Medical Equipment**
435.251.2323
Medical equipment experts help patients access respiratory therapy and rehabilitation equipment used in the home.

**Intermountain Hospice**
435.251.2367
Hospice is a special kind of end-of-life care, offering expert medical care and psychosocial, spiritual and bereavement support for patients and their loved ones. Hospice focuses on living life to the fullest in the comfort of home and with dignity. Volunteer opportunities are also available.

**Intermountain Hurricane Valley Clinic & InstaCare**
435.635.6550
Services offered include: InstaCare, family practice physician care, imaging services, laboratory services, physical therapy, and occupational therapy. 
The InstaCare is open Monday through Saturday from 9 a.m. to 9 p.m.

**Intermountain River Road Clinic & InstaCare**
435.688.6300
Services offered include: InstaCare, family practice and internal medicine physician care, a pharmacy, imaging services and laboratory services. 
The InstaCare is open seven days a week from 9 a.m. to 9 p.m.

**Intermountain Sunset Clinic & InstaCare**
435.634.6050
Services offered include: InstaCare, family practice physician care, physical therapy, occupational therapy and laboratory services. 
The InstaCare is open Monday through Saturday from 9 a.m. to 9 p.m.

**Intermountain WorkMed**
435.251.2630
Employers can utilize Intermountain WorkMed to arrange for employee drug screenings, physicals and a full range of other health services, including work-related injuries. Located at 385 N. 3050 East (near Costco). Open Monday through Friday from 8 a.m. to 5 p.m.

**LiVe Well Center**
formerly Gateway to Wellness
435.251.3793
Based in the Dixie Regional Health & Performance Center, LiVe Well Center integrates the physical and social aspects of wellness to help people of all ages and fitness levels live healthy lifestyles, achieve personal goals and reduce health risks. Services include medical fitness evaluations, customized exercise classes, dietary counseling, health coaching, sports training for those as young as eight years old up to the lifetime athlete. 
*Physician referral is not required.*

**Palliative Care**
435.705.5635
Focuses on promoting quality of life for patients living with a serious, chronic, or terminal illness. The goal is to provide physical comfort and psychosocial support for the patient and his or her family members. The palliative care team includes physicians, nurses, social workers, spiritual counselors, volunteers, therapists and others.

---

Christie Benton has a personal consultation with a woman participating in the LiVe Well Center (formerly Gateway to Wellness) program, Weigh to Health.
Nutrition Counseling
435.251.3789
Focuses on medical nutrition therapy for a range of conditions: weight management, GI disorders, food allergies, renal failure, pregnancy, etc. Service includes a complete assessment of client’s nutritional status, medical history and current medical/nutrition problem. A personalized plan of nutrition therapy is developed and provided, with follow-up sessions arranged as needed. Individual or class options are available.

Patient-Centered Care Council
435.251.2108
These councils help us incorporate patient input in everything we do. If you are interested in participating in one of Dixie Regional’s patient-centered care councils, please call the number above.

RESEP – Radiation Exposure Screening & Education Program
435.251.5875
The RESEP Clinic hosts free cancer screening for Downwinder, uranium workers and Nevada Test Site participants. Southern Utah counties received a significant amount of fallout from nuclear testing at the Nevada Test Site in the 50’s and 60’s. Those who were exposed from 1951-1958 or for the month of July 1962 or worked in the uranium industry are eligible for this program.

Sleep Disorder Services
435.251.3940
The sleep studies laboratory, with its state-of-the-art equipment, provides effective diagnosis and treatment for sleep disorders such as snoring, excessive daytime sleepiness and abnormal sleep behaviors. Physician referral is not required.

Social Services
435.251.1061
Social workers help patients and family members deal with financial, social and emotional needs relative to illness or hospitalization.

Sports Performance Training
435.251.2256
Scientifically proven sports training for athletes of all ages and levels of ability. Our certified exercise physiologists work with you to create an individualized program that will help you run faster, jump higher, and perform better, no matter what sport you play, including: soccer, football, basketball, track, baseball, volleyball, lacrosse, softball, golf and endurance running.

Surgical Services
435.251.1590
Same-day surgical procedures (outpatient) complement a full range of inpatient procedures.

Volunteer Services
435.688.4047
Dixie Regional Medical Center welcomes members of the community as volunteers in numerous meaningful placements, both inside the hospital and in outreach projects.

Women’s Health Services
435.688.4430
Our Women’s Center provides inpatient services, preventative and diagnostic health care, educational and wellness programs, life enrichment programs and referral options.

When you need healthcare in a life-threatening situation call 911 and/or get to Dixie Regional’s emergency room as soon as possible.

Dixie Regional Medical Center
1380 E. Medical Center Drive, St. George, UT 84790
435.251.1000

For minor illnesses and injuries that are NOT life-threatening, like colds, flu, cuts and bruises, Intermountain InstaCares offer urgent care.
