

1860 - 1861

Jan 1, 1860

Sunday. Cedar Springs. With my horses & sleigh, I took my wife, Bro Walter Stephens & wife & two children, & olde Bro Wm Stephens to Fillmore where we had an excellent discourse from both Bro Hyde & Benson; dined at Bishop Brunson's. Evening, listened to an other excellent discourse from Bro Hyde & returned home, 12 o'clock at night; thus passed the New Years's Day of 1860.

Jan 2, 1860

Monday. Cedar Springs. Made a broom and attended to other matters about home; have five lambs since Crismas.

Jan 3, 1860

Tuesday. Cedar Springs. I posted some of my accounts; sent \$58.35 worth of goods to Filmore, by Bro David, to exchange for wheat. Evening, Bros Hyde and Benson returned from Filmore on their way home accompanied by a goodly number of brethren & sisters from there; & all joined in the dance in Bro Walter Stephens' house' a good spirit prevailed & about one o'clock we dismissed in order with the blessings of Bros Hyde and Benson. God Bless Them.

Jan 4, 1860

Wednesday. Cedar Springs. I & Bro David went to Filmore & put our goods into Bro Huntsman's hands to sell. Bro Thompson can not attend to it.

Jan 5, 1860

Thursday. Cedar Springs. I & Bro David's hired man took six mules & went to the hay land to get a load of rushes for shed covering.

Jan 7, 1860

Saturday. Cedar Springs. I got a load of willows and helped put some rushes on Bro David's shead.

Jan 8, 1860

Sunday. Cedar Springs. I held meeting morning & evening; I spoke to the people & a good spirit prevailed. The cattle drive that commence last Friday ceases today.

Jan 9, 1860

Monday. Cedar Springs. I helped Bro David number & mark his sheep; he has 146 head.

Jan 10, 1860

Tuesday. Cedar Springs. Helped Bro David rig my wagon for his journey to the Colorado; he intended to start today, but could not get ready in time; I also attended to my sheep and other small matters.

Jan 11, 1860

Wednesday. Cedar Springs. I helped Bro David & made a last.

Jan 12, 1860

Thursday. Cedar Springs. I saught the mules for Bro David; about 12 o'clock , he started his wagon and he took leave this evening.

Jan 13, 1860

Friday. Cedar Springs. I attended to affairs at home; Sister Savage is recovering.

Jan 14, 1860

Saturday. Cedar Springs. I attended to affares at home; also got of Bro Walter Stephens, for Bro David Savage, what we called fourteen (14) hundred of hay.

Jan 15, 1860

Sunday. Cedar Springs. Last night, I and my wife were aroused from a sound sleep by a very sensible shaking of our bed & rattling of thins in the house; the cause of which we can only attribute to an earth quake. We heard Bro Robins, in the adjoining room, say to his wife, "by thunder, I should not like to be Johnson's house." They were awakened by the shaking and the rattling of their stove and other things. A short time after, I felt another very scensible trembling of my head. Morning came & I learned that nearby every person in the place had felt the shock; Bro Mc Cune said it shook his door open. At 11 o'clock, the people assembled at the school house. I spook some length and others bore testimony. Our meeting was interesting tho our members were few. The days are warms & pleasant; the nights are freezing colde.

Jan 16, 1860

Monday. Cedar Springs. Attending to affares at home. Also Tuesday the 17<sup>th</sup> & Wednesday the 18<sup>th</sup>.

Monday. Cedar Springs. Bro Cook started home yesterday early. Today I went to Fillmore; got eight bushels wheat of Bro G Huntsman which he had got for the goods that he had solde of mine; and took it to Bro Barthol's new mill. Last night the wolves bit one of the ewes.

Jan 31, 1860

Tuesday. Cedar Springs. Last night I stricknined 3 wolves; got them this morning. Today I went and got my grist or a part of it; for the olde thing has been grinding all day and has ground only about half of the eight bushel; through the wastage, the total, I judge, is about double the quantity it should be; and what is worse, the flour is not fit to eat. I think I will not patronize this mill more. This evening, Bro Albert Stephens returned from California with Bro David's team. It is in tolerable condition.

Feb 1, 1860

Wednesday. Cedar Springs. This morning, I mad a pigpen & got a pig 4 weeks olde of Bro Wm Stephens for \$3.00; credited & put him in the pen. Afternoon, Bro Stephens & I sought a place of grass for the sheep. Bro Banks teams passed February 2<sup>nd</sup>; I took my sheep out.

Feb 26, 1860

Sunday. Cedar Springs. Self and family attended meeting; had a good meeting.

Feb 27, 1860

Monday. This morning, William my hired boy and Levi M, my son, went to their sheep hearing as usual; but Levi M soon returned and informed me that the sheep were out of their pen when they got there; and that they had found one eve and two lambs dead; killed by the wolves. I went and found as he had said. I spent the moste of the day with the sheep and puting out stricnine. It appears that the sheep had rubbed the boards down that stop the enterance to their pen; then walked out.

Feb 28, 1860

Tuesday. Cedar Springs. This morning I went with the boys to the sheep; found them all right and one dead wolf. Last evening, the threshers from Fillmore come and commenced the shelling of Bros Phillips and Mathers wheat.

Feb 29, 1860

Wednesday. Cedar Springs. I helped Bro Mathers thresh; Bro Johnson put 70 ewes & 7 lambs into the heard this morning. Bros McCune & E Stephens put in one ewe & lamb each.

Mar 1, 1860

Thursday. Cedar Springs. At home, not well; my wife, by the assistance of a few friends, quilted a skirt. The threshers finished threshing Bro Stephens wheat; the last in the place and left for home. Bro Joel White, on his way to Beever, put up at Bro David's last night.

Mar 2, 1860

Friday. Cedar Springs. I got up a mule, olde Bet, to hunt cows on tomorrow.

Walter and Wm Stevens went with horses & sleigh; the remainder went on horseback. I rode my young horse, not well broke. The snow is full knee deep to our animals & it took us all day to get out there (until nearly sunset). We made camp and took a short tour among the cattle. I found one of my cows which had calved during the day and the calf was nearly chilled to death. I took it to camp and was up a good part of the night to save its life.

Jan 22, 1861

Tuesday. Camp in the cedars. Took breakfast; put the calf into the sleigh; mounted my young horse and started. George & David rode among the cattle & I drove my cow after the calf, behind the sleigh. I had not gone far when I endeavored to reign my horse to keep the cow in the road; he was inclined to follow the sleigh; I hit him with the reatah; he set off past the sleigh, but I soon turned him round; but shortly after, he became more determined to go his own way; set off full speed in the contrary direction and I could neither stop him nor guide him. He ran this way a mile or more when he crossed a deep vein; ascended the opposite bank; when the saddle became a little loose, slipped a little back and set to kicking with all his might; and soon succeeded in throwing me; but did not hurt me much; he set off to our last

night camp where David & George, who seen the operation, caught him. We went on with the sleigh & they overtook us a mile or two further a head. Here I found my bay mares & two of Bro Savage's mules, which we caught and brought with us to brake the road for the sleigh. We arrived at home very colde & much fatigued.
