Memory Book Statement: 1991 - 1992 School Year

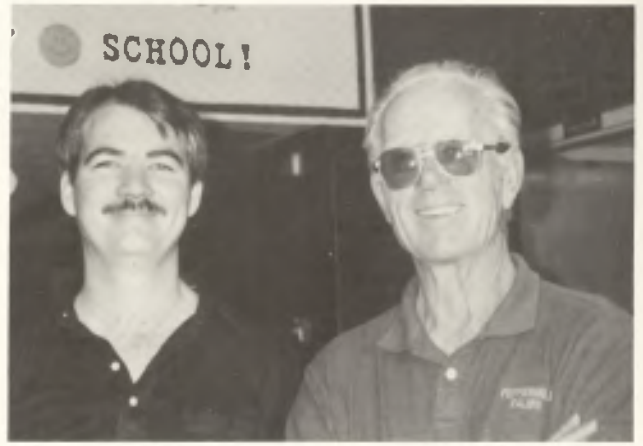

My most sincere expression of thanks to one and all for the many, many contributions extended in making the 1991-92 School Year so successful. As we well know, cooperation is the key for proper growth and progress... and we have succeeded in this yearly quest. Because of our united efforts, East Elementary School is and will remain "A Special Center Of Learning and Special Memories."
