

Saint George Literary Arts Festival

January 15, 2021

TO WHOM IT MAY CONCERN:

Please find your copy of the COVID alternative to the St. George Literary Arts Festival - 2020. It has been a pleasure working with talented poets and artists in the community, as well as non-residents who are affiliated members of St. George literary organizations.

*The Art of Isolation
An Anthology of Poetry and Art*

This unique compilation of poetic and artistic effort is to be forever treasured not only by those whose talents are displayed here, but by everyone whose spirit was awakened to recognize their strength and resolve in a time of unfamiliar hardship.

God Bless,
