WHEREAS, the County Fair Board cannot add any new functions to the Fair because of the lack of space in its present location.

WHEREAS, the County Fair Board has not received and is not receiving much cooperation from the Hurricane Municipal Government in coordinating the Fair.

WHEREAS, the American Legion has created problems in leasing their facility. This year they have refused to lease us their facility and instead desire to pay the normal concession fee and retain all the proceeds they can get through the use of their facility.

NOW THEREFORE, the County Fair Board, proposes that the Washington County Fair be moved to the St. George area beginning in 1984. Any one of the St. George area schools could be used to house the Fair in the interim until a permanent site is selected. We also recommend to the County Commission that they consider constructing some type of a multi-purpose building in the Dixie Downs area which could be used to house the Washington County Fair in the future. We also encourage the Hurricane area to fund their own celebration for Peach days.
