

Bringing History to Life: Opening the Old Sand Stone Quarry

Have you ever wondered where the rocks used to build the St. George Temple, Tabernacle, the original Washington County Courthouse, and the Woodward School were quarried from? R. Wayne Pace, Ph.D. will present "The location, history and construction of the Pathway to the Quarry" from where these rocks were taken.

May 16, 2017

6:00 PM – 7:30 PM

Community Room B

St. George Branch Library

88 West 100 South

St. George, Utah, 84770
