Subject: Report on the last DASIA field trip

This was our route on the all-day field trip 8/24/2017:

On these field trips we are soliciting trip photos from the attendees. DASIA Executive Director, Ken Sizemore, and trip leader, Milt Hokanson, have agreed to offer a free field trip lunch for the best photo submitted from each trip. This month the winner was Larry Cazier for his photo, <http://wchsutah.org/photos3/wchs-03497.php>
And thanks to Larry for all the other photos he took and shared with us.

Photos from the trip can be found on the WCHS website at:

If you can provide names for any of the unnamed people or have other data to add to these photos, please let us know.

The next DASIA field trip is on Thursday, September 28. It will be to the House Rock Valley Ranch. This 60,000 acre wildlife area is one of only 2 sites in Arizona where one may see state-managed bison herds. House Rock Valley, along the eastern edge of the Kaibab Plateau, has good views into the Marble Canyon portion of Grand Canyon National Park. You can get information and/or make reservations at the Public Lands Information Center or call (435)688-3200.

Future trips and other activities of historical interest are listed on the WCHS online calendar, <http://wchsutah.org/calendar.php>
