GHOST NIGHTS

Bringing Life Back to Old Silver Reef

October 27th & 28th, 2017

Both Nights - Self-Guided Event Running From 7 pm to 9 pm

Silver Reef's spirits have been patiently waiting all year for our Ghost Town to come alive again, and this year they'll not be let down! Characters at eleven Ghostly Sites will portal you to the past, and for the first time this year you will be free to visit them at your own pace between 7 pm and 9 pm. Improved lighting will show you where to go, and free ranging hosts will enhance your experience with enough charm to keep the coyotes up in the hills where they belong. Don't be left in the dark, join the celebration this year in Silver Reef.

All Guests should check in at the Museum when they first arrive to get their identification bracelets and map of the grounds. You may arrive at any time during the event (7pm to 9pm both nights), but to be assured of seeing everything you should probably park your wagon by 8 pm. Parking attendants with reflective vests and flashlights will be on hand to assist you. Coyotes dressed as valets should not be trusted. Ghostly Characters offering you a great tale or two are good. Our famous refreshments will be served this year behind the Cosmopolitan on the new deck. Please wear sturdy shoes since some of the terrain you will be walking is uneven. Also, you are welcome to bring your own flashlight to investigate suspicious shadows, and better light your stroll through our ghost town.

Admission to each night's event is only \$7 per person with reservations, or \$9 the night of the event. Reservations will be limited to 200 guests each night, so please indicate which night, the size of your group, and your contact number /email. Also if possible, please car pool since parking will be tight.

For reservations: Online at <http://tinyurl.com/WashingtonCountyWorks> or call (435) 879-2254, please leave your name, number of tickets, email and phone # in the recording, so that we can accurately register your group. Thank you!

GHOST NIGHTS 2017

BRINGING LIFE BACK TO OLD SILVER REEF

October 27th & 28th 7 pm to 9 pm Each Night

Self Tour - Guide Map

After you check in at the Museum to get your ID Bracelets, you will be initially given a Ghostorical Site to start your tour in order to spread guests out over the grounds. Then when the program begins you can proceed to the next number until you have visited them all. Feel free to stay at each station as long as you like. All Ghostorical Sites as well as the Museum, are open until 9 pm, rain or shine (the moon and stars).

Sturdy shoes are suggested and feel free to bring your own flashlight. Self guided trails will be dimly lit so extra lighting might be helpful over some of the rougher terrain.

If you get approached by one of our costumed Hosts, please don't call the police on your cell phone. They are here to enhance your experience, answer your questions, point out where things are, and spin a yarn or two if you will just give them the time of day (night).
