

Desert Bloom Day

Saturday April 28th, 2018

Join us for this new all-day event celebrating the many and varied desert blooms that adorn Silver Reef and the surrounding area. We can't predict exactly what will be blooming this day, since every year it is different. But you will enjoy looking, and if you don't find many, the special programs set up in the Cosmopolitan Building are sure to give that springtime fix of the beautiful blooms gracing our deserts that you came looking for.

Admission \$5 Per Person Family Rate \$10 *

Includes admission to all day's events in the Cosmopolitan, the Silver Reef Museum, mine exhibit tour, special walking tours, and day only access to other outside areas.

* Family Rate applies to one immediate family with up to two adults and children under 18 years old.
