

Community Preservation Workshop—Cedar City

June 14-15, 2018
Cedar City Festival Hall

What is the purpose of the workshop?

- To enhance local cultural and heritage programs so they can be more effective in shaping community identity and stimulating economic vitality.
- Help communities learn how to make the most of their historic and cultural resources.
- Help communities understand the value of coordinating local cultural and heritage efforts in order to access resources more effectively (grants, technical assistance, etc.) and generate better results.

Who should attend?

Anyone with an interest in the following:

- Historic preservation
- Community planning
- Main Street revitalization
- Tourism
- Local history and library resources
- Museums
- Local arts programs
- Volunteer recruitment
- Grants and fundraising
- Historic neighborhood revitalization
