

## NOVEMBER 2018 BROWN BAG SCHEDULE

### NOV 2 - ALVA MATHESON - OLD SPANISH TRAIL AND OTHER ROUTES

The Old Spanish Trail is an historical trade route that connected the northern New Mexico settlements with those of southern California. Approximately 700 mi long, the trail ran through areas of high mountains, arid deserts, and deep canyons. It is considered one of the most arduous of all trade routes ever established in the United States. Explored, in part, by Spanish explorers as early as the late 16th century, the trail saw extensive use by pack trains from about 1830 until the mid-1850s

### NOV 9 - KEITH DAY - UTAH WILDLIFE MANGEMENT ACTIVITIES

The Utah Division of Wildlife Resources serves the people of Utah as trustee and guardian of the state's wildlife. The agency maintains sustainable and diverse wildlife populations that are valuable to all citizens of Utah. Important goals include expanding wildlife populations and conserving sensitive species by protecting and improving wildlife habitat and demonstrating the value of wildlife to all.

### NOV 16 - MATT RICH – JACOB LAKE LODGE

When Harold and Nina N. Bowman established Jacob Lake Inn in 1923, their families had been involved in the exploration and settling of much of southern Utah and the Arizona Strip. They started a business selling gas from a fifty-gallon barrel in the back of a truck. The first lodge was built a year later. As more people traveled to see the Grand Canyon North Rim, Jacob Lake Inn's reputation for hospitality and good food began to grow.

### NOV 23 – NO LECTURE DUE TO THANKSGIVING DAY WEEKEND

### NOV 30 – DAWN EIDE-ALBRECHT - ST GEORGE CITY LEISURE SERVICES

St. George won the National Gold Medal Awards for Excellence in Park and Recreation management in 2016. Over the past 30 years, the city has added numerous sports fields, museums, clubs and other facilities. Large-scale events like the St. George Marathon and St. George Ironman have grown the area's reputation nationwide as an outdoor recreation destination. The department employs about 80 full-time workers, with a large network of volunteers and part-timers.
