NOVEMBER 15 – NEW MANAGEMENT PLANS FOR GRAND STAIRCASE ESCALANTE NATIONAL MONUMENT – BRANDON JOHNSON

Please join us this Friday, November 15 in welcoming Brandon Johnson, Realty Specialist with the Bureau of Land Management / Kanab Field Office.

For his visit on Friday, Brandon will take a look at the early beginnings of the new management plan for the Grand Staircase Escalante National Monument and how those plans have moved forward through the many challenges that have arisen during the process. Further discussions will center on the preliminary decisions of where we are today with this new management plan.

Without saying, this should be an informative presentation that will give us opportunity to review the up to date status of where the new management plans are today and with that give us an opportunity to listen, evaluate and ask questions about the future management of the Grand Staircase Escalante National Monument.

In advance, we look forward seeing you this Friday, November 15 at 12 pm (noon) as we host another chapter of the Marilyn Davis Brown Bag Series Lecture Series.

Reservations may be made by contacting the Public Lands Information Center at 435.688.3200, via email at bswensen@d-asia.org or visit us at 345 East Riverside Drive
