DNA ANCESTRAL RESEARCH *with John Harrison*

St. George Library
January 23, 2020
6:00 - 7:30 PM

John Harrison has been a Family Historian and ancestral researcher for over 38 years. Join us as he teaches about using DNA for family history.

You will learn:

- * Four Types of DNA
- * Types of DNA Tests
- * Testing Companies
- * Ancestral Orgins & haplo Groups
- * Analyzing your Family Tree

For more information, please call Ruth Tanner at 435-634-5737, ext. 2284.
