Subject: History Day Judging Opportunities Feb-April

You are expressly invited to serve as a History Day judge this spring.

[Utah's National History Day](#) program serves 7,000 students statewide each year, where they *learn* history by *doing* history. They do real historical research, then create exhibits, documentaries, performances, websites, and papers to present their work at our spring competitions. State winners go on to compete at nationals, and for many, the experience is life-changing.

Choose a Contest Convenient to You

Logan: March 3

Ogden: March 18

Salt Lake: March 18 & April 16-17

Alpine: March 28

And more!

Five Reasons to be a History Day Judge

- Support history education!
- See history at work in your community!
- Share our young historians' excitement!
- Invest in the next generation!
- Be inspired!

Judging is rewarding and fun. You don't need to be an expert in history, you do need to be able to work well with children. We provide training, and we pair new judges with experienced ones.

Do you know people who would love this? Share this email and help us spread the word!

See the attached flyer for additional details and contact me with any questions. Hope to see you there!

Wendy

Wendy Rex-Atzet, Ph.D.

State Coordinator, Utah History Day

Utah Division of State History
