Subject: DSU Library Presents "Constructing Zion"

Hello Everyone,

The DSU Library is pleased to present the 37th Annual Juanita Brookes Lecture Series. Dr. Martha Bradley-Evans was kind enough to record her presentation, "[Constructing Zion: Faith, Grit, and the Realms of Possibilities](#)," about the intersection of city planning and religious lived experiences in Salt Lake City after the event was delayed this spring due to unusual circumstances.

View the presentation here, https://library.dixie.edu/special_collections/Juanita_Brooks_lectures/2020.html
