Dear Friends,

We are thrilled to let you know that our Legacy Lecgture Series on Monday, April 3 will feature Merrill Osmond, the lead singer of the world famous Osmond family. His presentation is entitled, "**A Walk Down Memory Lae.**" We are thrilled to have Merrill with us.

Merrill Osmond is also an established solo artist, in addition to being the lead singer of the Osmond family. He has toured throughout the world performing in many major venues. With his brothers, Merrill has been the lead singer on 27 gold records. He has produced and written the music and lyrics for five number one hit records. The Osmonds have produced 47 platinum and gold records and no other recording artists have earned as many gold records in one year as the Osmond family. It's Merrill's incredible voice you can hear on such hits as **One Bad Apple, Let Me In, Love Me For A Reason,** and **Crazy Horses.** The Osmonds still hold the record today for achieving eleven Gold Award Certificates in one year.

Merrill was the Executive Producer of the **Donny & Marie Show** that aired on ABC-TV. He worked closely with the production of President Ronald Reagan's Inauguration, and in 1989 he was invited to produce the Inaugural Ball for President George H. Bush. In 1983, Merrill co-founded and assisted in creating **The Children's Miracle Network** that has since raised more than \$4 billion for children's hospitals around the world.

Merrill is the **Patron of The Hearing Fund UK**, a charity founded by his son, Justin. The Hearing Fund helps children living with hearing loss and helps raise deaf awareness globally. Merrill produces the annual Gala event held by The Hearing Fund UK. He is now celebrating his 64th year in show business and continues to produce new music, tour, and perform both solo and with his brothers entertaining huge audiences both in America and The United Kingdom.
