# Utah's Architectural Folklore and Myth

What do Angel Doors, double doors, Polygamy Pits and strange objects concealed within the walls or floors of older houses have in common? They're all part of Utah's architectural history. But are they fact or are they myth? To find out more join us to see Cory Jensen's fascinating presentation!

**April 25th, 6:30 - 7:30pm**  
**Forsyth Community B Room**  
**St. George Library**
