Your Special came Sunday
and I had already sent this
Saturday. So you will get it
OK with it. The amount
of this check is not to be
for a few days. I first
applied for it on Saturday
but this was the first day
of the month and no check
could be deposited in my
account by that time. I am
sorry it would be better if
it had been deposited in my
account before the 1st of
the month.
