President David H. Cannon,
St. George, Washington Co, Utah

My Dear Brother David:

I received your favor of 6th inst. I reached home on morning of 9th inst., and was delighted to receive you letter and the copy of one you wrote me on April 13th last.

I cannot account for it miscarrying as it appears to have been addressed correctly. I would have you understand: I have been under the impression my letter had miscarried, to you and yours also had miscarried to me, as I could not help believing that you had written me. I was very happy to learn you had received my letter. I herewith enclose your copy that you may replace it in your "book."

I have delayed answering you regarding my coming Black Hawk War veterans meeting at their campfires in Pine Valley, on 25th, 26 & 27 inst., as I have not been able to determine what I could do, until now. I can only obtain a half fare rate going down and the same coming back, but I have now determined to come to you a Pine Valley in hope of meeting olds friends and seeing brothers and sisters. Our sister Mary Alice agrees to accompany me from here conditioned you can inform us of a way to go, comfortable, from

Modena to Pine Valley and return. I fear it will be too warm to reach St. George, otherwise I would like to see people there. It is my intention to leave here on Saturday, 21st inst. At 4:45 P.M. and go to American Fork and spend Sunday at request of Bishop John Hinckley, whose mother is Manx, a bout the Isle if Man. It is my intention to get back Sunday night or Monday morning in to time to take train at 4:45 with my sister Mary Alice, for Modena where we expect to arrive on 24th. I trust this will find you and each of yours well as it leaves me. Accept my love to you and each of yours and ours. I am your true and affectionate Brother.
