

STATE HOUSE, GREAT SALT LAKE CITY, }
December 21, 1864. }

MR. E. M. Sanders :-

The Legislative Assembly are desirous of making a more thorough investigation upon the subject of Irrigation than has ever before been attempted in this Territory. To this end, you are respectfully requested to fill the enclosed blank table and return it as soon as possible.

Where you have more than one canal or main water-ditch you will require to use one of these blank forms for each canal or field watered by it.

Any other information you may have bearing upon this subject, please forward by letter,

And greatly oblige,

Very respectfully,

Yours,

L. E. HARRINGTON,
E. SNOW,
JOSEPH A. YOUNG,
WILFORD WOODRUFF,
FRANKLIN D. RICHARDS,
JOHN VAN COTT,
PETER MAUGHAN,
JACOB GATES,

Joint Committee on Irrigation.
