

Big Field Dec³rd / 58

Br E. M. Sanders.

I received your letter about ten days ago and intended to have written by D H Cannon but he met with an accident which will detain him some time yet he has broken his leg between his knee and ankle he is now doing well and expects to be on crutches on Tuesday, so says the Doctor. You wished to know about a lot of mine in the Clara field i had a lot set off to me in said field and i put up some rods of cedar fence for it but i have never used it, and like the rest of my Dixie speculation ~~that~~ is more of an drawback to me than a benefit

the lot is situated in the
willows across the black ridge west
of town on the upper side of the
street that leads from ^{the} ridge (where
the trail comes over from town)
to the river the lot i think is
lot 3 block 2 and laid between
a lot owned by David Moss
and the river when i left
dixie i offered to sell the lot
to Ben Woodberry for 75 dollar
he come round when i was about
ready to start and offered me a cow
he had in the corral, he thought
i could not take the lot along
with me, Ben Gander if the
lot ~~x~~ i have described is the
one you refered to you can
have it by paying the demands
against it & settling the taxes
against my city lot for me
and 25 Dollars or some good pay say
10 gallon of Molasses delivered

if the terms suits you all
right if not pleas drop me a line
and i will send you the tax
money on receipt of your letter

We are all well as common

Remember me to all my acquaint

P.S. I have written to Be Trueman
about a steer he has of mine
~~and~~ and cannot hear from him
if you should see him pleas
ask him if he has a steer
3 year old steer of mine it
has Augus Cannon ear marks
on
