## PRINCIPAL'S MESSAGE

Replacing an outstanding person and educator such as Mr. Smith, a man who led this school for many years, is an impossibility. Some people you don't replace, you just go on without them. But, with the full support of all, students, teachers, staff, parents, and the PTA; 1988 — 1989 has been a very productive year. Each of us can look back with the pride on the accomplishments of the year as well as looking forward with great anticipation as the new Year Round School schedule becomes a reality. Our Memory Book will always serve as a vivid reminder of the many positive happenings experienced during this particular time in our lives at our special "BRONCO" school.

How old is a person?  
Just as old as you.  
If a girl thinks you will be  
Bigger and fair, and then  
Who can be a person?  
Any child can be.  
For they are all  
with  
Mabel.
